

Horizon Offset

Horizon Offset

The manufacturers of Horizon Offset (70gsm - 300gsm) hold EMAS, ISO 9001 & ISO 14001 certifications and are also PEFC certified.

The Programme for the Endorsement of Forest Certification (PEFC) labels are placed on products made from wood from forests that meet the criteria of national certification schemes endorsed by the PEFC.

Horizon Pulpboard

Horizon Pulpboard

The manufacturers of Horizon Pulpboard (200mic - 380mic) are ISO 9001, ISO 14001 and FSC certified.

Horizon Pulpboard is made to the highest environmental standards at one of Europe's leading board manufacturers.

A full copy of both mill's environmental statement/policy is available on request.
