

Navigator and the Environment

Navigator is a quality uncoated Laser Pre-Print paper made to the highest environmental standards. The mill in Portugal take their responsibility for the environment very seriously.

Navigator is made by one of the worlds largest producers of quality uncoated papers using eucalyptus pulp sourced domestically. The mill's energy requirements are 91% obtained from reuseable sources.

The manufacturing paper mill is an ISO 9001 and ISO 14001 certified producer.

The paper is Chlorine Free.

For a copy of the mill's full environmental report please contact your local sales office.
