

Fasson Dry Toner Paper

- A self-adhesive sheet product for digital printing on dry toner machines
- Ideal for varied applications, especially in short runs and personalisation
- All products are specifically engineered for use on the Dry Toner sheet-fed presses with excellent toner key (no pre-treatment needed)
- Stable constructions ensure problem-free runnability
- Crackback+ has a mechanical score applied diagonal back with slits at 32mm intervals
- Suitable for flat or curved surfaces and for indoor and outdoor use
