

LESSEBO PAPER

31st August 2021

Dear customer

Uncoated price increase

A continuing upturn in pulp, transportation and raw material have resulted in unsustainable pricing on all our products in the UK and Ireland. As a result, Lessebo Paper AB will need to increase the prices on all grades by 8-12% per tonne on all shipments from the 1st October 2021.

I will be in touch with you to outline the increase per quality and grade.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Richard Banham
