Slavery and Human Trafficking Statement

Elliott Baxter is the UK's leading independent paper supplier. The company's scope of operation is sales, storage and distribution of paper, board and associated products into Great Britain.

Elliott Baxter source goods from suppliers mainly based in Europe but also from outside the EU. Elliott Baxter maintains strong relationships with suppliers and engages only with suppliers that uphold the same principles. There will be an increased focus to ensure a long term commitment by suppliers to ensure no slavery and human trafficking is in their own businesses and supply chains.

As part of our companies due diligence process into slavery and human trafficking, we will review our suppliers and their controls undertaken to comply with The Modern Slavery Act 2015. Products sourced from outside the EU are potentially more at risk from slavery and human trafficking issues and shall be continually monitored. Suppliers will be required to sign an agreement which supports compliance of the Act.

The Company Directors and Senior Management shall take responsibility for implementing this policy statement and its objectives. Adequate resources will be provided to ensure audits are undertaken and the policy statement is still relevant to the company activities.

This Policy takes into account and supports the policies and procedures of our Integrated Management System ISO 9001, ISO 14001, ISO 50001, FSC, PEFC and EUTR.

This policy statement will be reviewed annually and published.
